Report of Principal and School Improvement Council

This has been an exceptional year at Hillcrest Middle School, a school with a safe, structured, and nurturing environment that encourages excellence. Hillcrest offers a challenging, relevant, standards-driven curriculum supported by a highly effective faculty and staff. Our mission statement drives all that we do: "Believing, Achieving and Succeeding through Academics, Citizenship and Service." Our focus is to teach the whole student.

Student achievement was addressed through the continued implementation of unique courses focused on improving reading, math, science, and social studies skills. Math Topics and Contemporary Literature offered students opportunities to improve their skills through a plethora of novels for reading and hands-on math activities, allowing student application of concepts to real world problems. Science Research offered students opportunities to research areas of interest and apply all areas of the curriculum to their learning. Activities included working with robotics through the Lego League and conducting a variety of scientific investigations. Political Science allowed involvement in government as well as an introduction to economics. The Youth Leadership Initiative introduced current political processes. The Office of Economic Education introduced economics and the study of how money works with students participating in the Stock Market Game.

Maintaining and increasing teacher quality was addressed by providing professional development and training based on research-supported standards including book studies, workshop participation and summer institutes to keep abreast of the current trends. Teachers started training with the new Common Core Standards, which will soon replace the SC State Standards.

School climate was improved through continuing our student service learning projects, with students actively participating within the school and community. Involvement included Math-A-Thon, recycling, Relay for Life, Pennies for Patients, canned food drives, and helping with our local senior citizen center. Honors for our school community include four SC Junior Scholars, awards at the Region II Science and Engineering Fair, along with many other academic, athletic and related arts awards.

We are very proud of all the accomplishments of our students. Our belief is that education is a team effort with teachers, parents, and students working together to make our school a great place to learn and grow.

Robert Barth, Principal  
Dr. Candy Richburg, School Improvement Council Chairman

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

**Accountability Indicator for Title I Schools**

Hillcrest Middle School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☒ Non-Title I School – therefore the designations above are not applicable.
